MR VIETNAM

EST. — VIETNAM

The background of the advertisement is a warm, golden-brown textured surface. On the left side, there is a still life arrangement on a light-colored, textured cloth. It includes a whole yellow-orange fruit (possibly a mango or papaya), a halved passion fruit showing its seeds, a slice of green aloe vera with a drop of liquid, a whole green aloe vera leaf, and a small glass bottle with a gold cap containing an amber-colored beverage. In the upper left corner, there are green, pointed leaves of a plant, possibly aloe vera.
